Accessibility Statement

www.channel4.com/blackinbusiness aims to provide a website that is accessible to the widest possible audience, regardless of technology or ability. We are actively working to increase the accessibility and usability of our website and in doing so we've been using the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA.

Accessibility Highlights

- The colour contrast of text conforms to at least WCAG AA standard.
- There are text alternatives for non-text content.

- Video content is close captioned except for the homepage video which uses written text within the video to supplement the audio.

- An audio description track has been added to the "Previous Winners" video on the About page.

- Keyboard navigation has been carefully considered and tested - see keyboard controls.

- Modal dialogs / popups have been avoided.

- There is a skip to content link.

- Focused elements are clearly highlighted.

- Section headings are used to organise the content.

- Landmark roles / regions have been employed to help you to navigate each page.

- We have avoided moving / autoplaying content.

- To help you enjoy this content on a variety of platforms it has been designed to be mobile friendly, and resize for a variety of screen sizes and devices.

Accessibility Limitations

www.channel4.com/blackinbusiness does not assume responsibility for third party applications.
